

PRECISION BALANCE

PS.P2

Easy to read LCD display, one touch tare up to full capacity, high resolution , quick readable weighting, easy to operate, widely used in high precise industrial applications, laboratory, university.

MODEL	PS.P2.210	PS.P2.310	PS.P2.510	PS.P2.610	PS.P2.1100	PS.P2.2100	PS.P2.3100
Capacity (g)	210	310	510	610	1100	2100	3100
Price(USD)							
Resolution (g)	0.01						
Min weighing (g)	0.04						
Stable Time	≤ 2 S						
Pan Size	Φ 130 mm						
Operation temp	5-25℃						
Repeat ability	0.02g						
Liner	0.03g						
Cal.weight	200g	200g	200g	200g	500g	1000g	2000g
Option	RS232C & RS485、 Printer						
Packing Size	Inside:310×230×130mm			Outside:660×470×320mm			
G.weight	2.0/22kg						

* The calibration weight is optional parts when the capacity ≥2000g or resolution >0.01g.
